

Spriggy Schools

Ordering Guide

Step 1

Download the app, sign up and add your child to their school

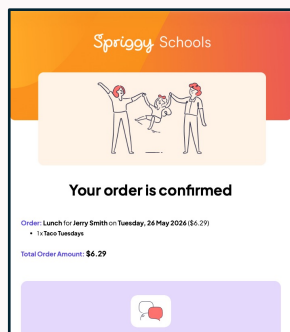

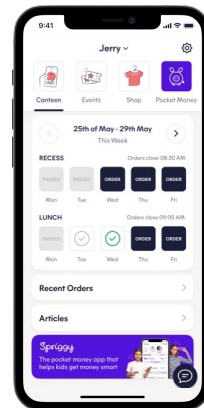

Step 2

Place your child's order by checking the date range at the top, then tapping the day and break you wish to order for, selecting your items and confirming your order.

Step 3

Before closing the app, check your order is confirmed and on the correct date.

-  = confirmed future order
-  = confirmed past order

Step 4

Check that you've received a confirmation email and that the order date is exactly what you expect

Tip: Tap **Recent Orders** to view your transactions. Tap any transaction to verify the order date.
